

About Global Ace Construction

Specialized in providing premium multi-trade subcontracting services for both government and private sectors in Washington, DC. Developing carpentry projects with a distinctive focus on quality results and high attention to detail since 2013.

Over time, we have expanded our competency to encompass other trades, accumulating valuable experience and expertise to ensure strict compliance within industry requirements.

Core competencies

We are specialized in providing exceptional construction services for commercial projects. Our wide range of construction-related services is designed to meet the specific needs of our clients, ensuring a successful and trouble-free project from start to finish.
